IWM DUXFORD

Sustainability

We are passionate about not only 'doing the right thing' but making it easier for our guests to have 'planet-friendly' events. Here are just some of Restaurant Associates' sustainability pledges, with whom we work in partnership to deliver events across our venues:

01.

We commit to a 50% reduction in food waste by 2030

02.

We have a British free-range egg-first policy

03.

We provide nutritional labelling to allow guests to make informed food choices

04.

We only use pole and line, trolling and handline (hook and line) caught tuna, to minimise risk of by catch

05.

We only serve fish that is rated 1-3 as per the Marine Conservation Society's Good Fish Guide

06.

All teams are trained in Ways to be Well, our health and wellbeing programme

07.

We partner with Foodsteps to carbon label our dishes to enable guests to make informed choices when dining with us

08.

We commit to increasing our spend by 30% with socially conscious businesses by the end of 2025

09.

Through our 'Coffee for Causes' programme for every kilo of coffee sold we donate 30p to local charities and community projects
